

TITLE 4. BUSINESS REGULATIONS

NOTICE OF PROPOSED RULEMAKING

Pursuant to Section 44520(b) of the Health and Safety Code, the regulations being amended herewith by the California Pollution Control Financing Authority (the “Authority”) are, by legislative mandate, necessary for the implementation of small businesses assistance and the immediate preservation of the public peace, health and safety, and general welfare.

Proposed Regulatory Action

The Authority proposes to amend Section 8035 of Title 4 of the California Code of Regulations (the “Amended Regulations”) concerning the administration of the California Pollution Control Financing Authority’s Bond Program. These Amended Regulations are necessary to implement, interpret and make specific Articles 3 and 4 of the California Pollution Control Financing Authority Act (the “Act”). The current rulemaking action would make these changes permanent.

Authority and Reference

Authority: Section 44520(a), 44520(b), and 44548(a)(3) Health and Safety Code. Section 44520(a) authorizes the Authority to adopt these proposed regulations to carry out its powers and duties. Pursuant to section 44520(b), the regulations proposed are, by legislative mandate, necessary for the immediate preservation of the public peace, health and safety, and general welfare. Section 44548(a)(3) allows the Authority to adopt regulations which provide for differential fees from participating parties based upon factors determined to be relevant by the Authority.

Reference: Section 44548(a)(3), Health and Safety Code. The proposed regulations implement, interpret, and make specific section 44548(a)(3) of the Health and Safety Code.

Informative Digest/Policy Statement Overview

Existing law establishes the Authority to implement small business financing assistance programs pursuant to Section 44520(b) of the Health and Safety Code.

The California Code of Regulations (“CCR”), Title 4, Section 8035, requires that all applicants who are not small businesses pay a Small Business Assistance Fund (SBAF) fee. Sections 44520(a) and 44520(b) of the Health and Safety Code authorize the Authority to adopt regulations to carry out its powers and duties as determined by the governing statute of the Authority. Section 44548(a)(3) grants the Authority the power to charge different fees to different types of participating parties.

Business investment in California using tax-exempt bonds has declined noticeably during the recent economic downturn. As a result Private Activity Bond (PAB) allocation has gone unused and CPCFA has received unused allocation as Carryforward Allocation. CPCFA currently has

\$2.9 billion in Carryforward Allocation available and in order to utilize the allocation before it expires, CPCFA needs both small and large businesses to issue PABs.

The SBAF fund currently has a balance of approximately \$15,638,000. The temporary fee waiver for large businesses will not affect the SBAF assistance given to small businesses. During the last five years, fifteen large businesses have paid into the fund and all small businesses requesting SBAF assistance have received it.

The proposed regulations will temporarily exempt large business applicants from paying a SBAF fee, while continuing to preserve the original intent to support CPCFA programs that benefit small business. The temporary waiver of the SBAF will not affect the SBAF assistance given to small business.

Anticipated Benefits from This Regulatory Action

CPCFA anticipates that the temporary fee waiver will entice large businesses to issue PABs by noticeably reducing a portion of the cost of issuance. The fee reduction could also serve as an incentive for national companies to focus investment in California while their fees are lowered. CPCFA will also continue to utilize the current balance of the SBAF fund to help small businesses pay for the costs of issuance of tax-exempt bonds.

The proposed amendments to the current regulations will not have a significant effect on the creation or elimination of jobs in California, significantly affect the creation of new businesses or elimination of existing businesses within California, or significantly affect the expansion of businesses currently doing business within California.

CPCFA has conducted an evaluation of this regulation and has determined that the proposed amendments to the CPCFA Regulations are consistent and compatible with existing state statute and regulations, and the objective is as follows:

Section 8035(e). *Add section (e) to temporarily waive the fees that large businesses pay into SBAF.* The assessment of the fee provided for in subsection (a) on all new financing transactions is waived until June 30, 2015. In the case of refunding bonds and conversion bonds, there will be no SBAF fee charged if the original bonds were issued after the effective date of the subsection and before June 30, 2015. .

Disclosure Regarding the Proposed Action

The Executive Director of the Authority has made the following determinations regarding the effect of the Amended Regulations:

Mandate on local agencies or school districts: None.

Cost or savings to any state agency: None.

Cost to any local agency or school district that must be reimbursed in accordance with Government Code sections 17500–17630: None.

Other non–discretionary cost or savings imposed on local agencies: None.

Cost or savings in federal funding to the state: None.

Significant effect on housing costs: None.

Cost impact on a representative private person or business: The Authority is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Small Business: The Amended Regulations will not have an adverse impact on small business in California and will not affect small business since they do not impose additional restrictions or cost on small business.

Significant, statewide, adverse economic impact directly affecting businesses including the ability of California businesses to compete with businesses in other states: The Authority has made an initial determination that the Amended Regulations will not have a significant, statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

Results of the Economic Impact Analysis

Assessment regarding effect on jobs/businesses: The Amended Regulations will not have a significant effect on the creation or elimination of jobs in California, significantly affect the creation of new businesses or elimination of existing businesses within California, or significantly affect the expansion of businesses currently doing business in California.

Benefits of the regulation to the health and welfare of California residents, worker safety, and the state’s environment: The Authority is not aware of any benefits of the health and welfare of California residents, worker safety or the state’s environment with the proposed adoption to the Regulations. The temporary SBAF fee waiver will noticeably reduce a portion of the cost of issuance for large businesses seeking tax-exempt bond financing.

Consideration of Alternatives

In accordance with Government Code Section 11346.5(a)(13) the Authority must determine that no reasonable alternative to the Amended Regulations considered by the Authority or that have otherwise been identified and brought to the attention of the Authority would be more effective in carrying out the purpose for which the Amended Regulations are proposed or would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The Authority invites interested parties to present statements with respect to alternatives to the Amended Regulations during the written comment period.

CALIFORNIA POLLUTION CONTROL FINANCING AUTHORITY

TITLE 4, DIVISION 11, ARTICLE 7

INITIAL STATEMENT OF REASONS

Introduction

Health and Safety Code section 44548(a)(3) allows the California Pollution Control Financing Authority (the “Authority”) to amend regulations that provide for differential Small Business Assistance Fund (“SBAF”) fees from participating parties based upon factors determined by the Authority.

Business investment in California using tax-exempt bonds has declined noticeably during the recent economic downturn. As a result, Private Activity Bond (PAB) allocation has gone unused and CPCFA has received unused allocation as Carryforward Allocation. CPCFA currently has \$2.9 billion in Carryforward Allocation available and in order to utilize the allocation before it expires, CPCFA needs both small and large businesses to issue PABs.

The SBAF Fund currently has a balance of approximately \$15,638,000. The temporary fee waiver for large businesses will have no effect to the SBAF assistance given to any small business. During the last five years, fifteen large businesses have paid into the fund and all small businesses have received it.

CPCFA anticipates that the temporary fee waiver will entice large businesses to issue PABs by noticeably reducing a portion of the cost of issuance. The fee reduction could also serve as an incentive for national companies to focus investment in California while their fees are lowered.

Statement of Benefits

The proposed regulations will temporarily exempt large business applicants from paying a SBAF fee, while continuing to preserve the original intent to support CPCFA programs that benefit small businesses. The temporary waiver of the SBAF fee will not affect the SBAF assistance given to small businesses.

The Authority is not aware of any benefits of the health and welfare of California residents, worker safety or the state’s environment with the proposed amendment to the CPCFA Regulations.

Section Analysis

The proposed objective is as follows:

Section 8035(e). Temporary waiver of the Small Business Assistance Fund fee. CPCFA staff anticipates that the temporary fee waiver will entice large businesses to issue PABs by noticeably

reducing a portion of the cost of issuance. The fee reduction could also serve as an incentive for national companies to focus investment in California while their fees are lower.

Reliance

These amendments are the result of periodic evaluation of the regulation and feedback from applicants.

Alternatives Considered

The CPCFA Executive Director has determined that no alternatives are more effective, or as effective and less burdensome to affect persons or small businesses, than the proposed Amended Regulations.

Mandated Technology or Equipment

The CPCFA Executive Director has determined the revisions do not mandate the use of specific technologies or equipment.

Economic Impact Statement

The CPCFA Executive Director has determined that the revisions will have no significant adverse economic impact on small businesses, other businesses directly affected, or private persons. Furthermore, the CPCFA Executive Director has determined that the Amended Regulations do not impose any additional costs or savings requiring reimbursement under Section 17500 et al of the Government Code, any other non-discretionary cost or savings to any local agency or any cost or savings in federal funding to the state. Pursuant to the State Administrative Manual Section 6680, a Fiscal Impact Statement (Form STD 399) is submitted without the signature of a Project Budget Manager at the Department of Finance, as there are no fiscal impact disclosures required by the State Administrative Manual Sections 6600-6670. There will be no cost or savings to any State Agency pursuant to Section 11346.1(b) or 11346.5(a)(6) Government Code.

The creation or elimination of jobs within California: The amendments to section 8035 of the CPCFA Regulation are not expected to have a direct impact on the creation or elimination of jobs within the State of California.

The creation of new businesses or the elimination of existing businesses within the State of California: The proposed language in section 8035 of the CPCFA Regulation is not expected to have a direct impact on the creating of new businesses or the elimination of new businesses.

The expansion of businesses currently doing business within the State of California: The amendments to section 8035 of the CPCFA Regulations regarding the Small Business Assistance Fund Fees are not expected to have any direct impact on the expansion of businesses currently doing business within the State of California because these amendments will only temporarily waive the SBAF fee that large businesses pay.

The benefits of the regulation to the health and welfare of California residents, worker safety, and the state's environment: The proposed language in section 8035 of the CPCFA Regulations are not expected to have a direct impact on the health and welfare of California residents, worker safety, or the state's environment.

PROPOSED TEXT OF REGULATIONS

Title 4. Business Regulations

Division 11. California Pollution Control Financing Authority

Article 3. General Provisions Relating to Authority Actions

§ 8035. Small Business Assistance Fund Fees.

- (a) The Authority shall charge an applicant who is not a public agency or a small business as defined in Section 8020 a fee in addition to the fees required by Sections 8033 and 8034. The additional fee shall fund the Small Business Assistance Fund (SBAF). The amount of the fee shall be sixty-six one-hundredths of one percent (.0066) of the face value of any tax exempt bonds issued and three tenths of one percent (.003) of the face value of any taxable bonds issued; provided, that in connection with the issuance of taxable bonds for which the .003 fee is charged, if such taxable bonds are refinanced with or converted to tax exempt bonds, the applicant shall pay an additional fee for deposit into the Small Business Assistance Fund in the amount of thirty-six one-hundredths of one percent (.0036) of the face value of such taxable bonds. In the case of refunding or conversion of bonds, the fee percentage applicable on the date the original bonds were issued will be used to determine if additional SBAF fees are collectable. If the company did not pay a SBAF fee originally, the current fee percentage will apply to refundings or conversions. If federal tax law or other legal provisions prevent the imposition of the above fees, each fee shall be the maximum that can legally be charged.
- (b) The Authority shall refund a portion of the fee charged pursuant to subdivision (a) of this section if the occurrence of a subsequent event causes the original fee to exceed the amount allowed by federal tax law provisions, causing the bonds to lose their tax exempt status. The refund shall be the difference between the original fee charged and the maximum fee subsequently determined to be chargeable by bond counsel approved by the Authority.
- (c) The Authority shall refund a portion of the fee charged if, in the judgment of the Authority, the amount in the Small Business Assistance Fund account exceeds the amount needed to operate the Small Business Assistance Fund program and to assist small businesses obtain financing. If the Authority makes a refund pursuant to this subdivision, the amount of the refund payable to each applicant shall be computed by multiplying the total amount to be refunded by the percentage each applicant contributed in fees to the total fees collected pursuant to this section.
- (d) If an applicant refinances existing bonds with the issuance of new bonds, it shall receive a credit against the fee charged pursuant to this section in an amount equal to the net Small Business Assistance Fund fees paid on the earlier bonds.
- (e) The assessment of the fee provided for in subsection (a) on all new financing transactions is waived until June 30, 2015. In the case of refunding bonds and conversion bonds, there will be no SBAF fee charged if the original bonds were issued after the effective date of this subsection and before June 30, 2015.
